President's Message

Dear members, can you believe that it is March and that the reason for the Shamrock Club's existence is just a few weeks away? We will be processing to St. Patrick's Church and celebrating Mass in honor of St. Patrick, fulfilling our Charter.

Then we guild the lily and have a parade and family reunion and then finish the day at the Shamrock Club for more music and fun.

This year's Family Reunion is shaping up to be back to pre-Covid numbers, that tells me that family and friends we may not have seen since before COVID are coming out. How wonderful that we are once again able to gather and enjoy this day with those we have not seen for several years; and to also remember those who are with us in spirit. What a great day. I am looking forward to seeing you all and having a fun and safe day. FYI the Family Reunion concessions will be credit card only.

March also brings nominations for the next Secretary and two board members. I know the nomination committee is working hard contacting those members who may be qualified to run. If you are one of these members, please think about serving the club by running for an office. These are the people who will be making decisions on how the club is managed and we need good people. Happy St. Patrick's Day be safe and enjoy.

Karen

Chaplain's Comments

'Tis the month of March! And that means that St. Patrick's Day is just around the corner! President Karen, the board members and those with special responsibilities are very busy making sure that all is prepared for a magnificent celebration of St.

Patrick's Day! Needless to say, volunteers and helpers are very much needed. Contacting the officers, members of the board or simply calling the club and offering your services will go a long way to making our annual celebration a memorable one.

At the same time, this is the Church's celebration of the season of Lent. The word Lent means Springtime! And the wonderful weather we've enjoyed during the month of February has served to remind us that the season of Spring is right around the corner.

The usual penitential practices of prayer, fasting and almsgiving are important ways to help each of us to wake up spiritually, take stock of our life as Christians and resolve to do a better job of living the Christian life than we have thus far. In order to have a successful Lent, it's important for us to admit that we are sinners and that we need from time to time to take a good look at our spiritual progress or lack thereof. I would encourage occasional attendance at daily mass as well as daily recitation of the rosary as a good way to grow in prayer. Meatless Fridays and voluntary abstinence

Chaplain's Comments, cont.

from favorite foods not only saves us money, but provides us with resources to observe almsgiving. There are many other ways to observe Lent. The important thing is for us to focus not so much on ourselves, but the various needs of our brothers and sisters who are suffering economically, homelessness or illness. In spite of living in our blessed nation with so many advantages, still there are many who are not so blessed. In the Gospels, Jesus is constantly reminding us to take care of the poor and the forgotten. Pope Francis is always reminding us

to look to the margins of society and do what we can to relieve the suffering and want of so many.

As March is a central month in our club year, we ask the good Lord to give us what we need to have a good celebration of St. Patrick's Day as well as a good celebration of Lent. As always, it's important to remember each other in prayer, that this Season of Lent will be an opportunity for growth in our appreciation of our Irish heritage, as well as our Christian faith.

Msgr. John Kelly Cody, Chaplain

February Treasurer's Report

- 1) The Club E-filed all of its required 1099/1096 Forms to the IRS and the SSA on Jan 29th. The Federal deadline for submitting 1099's is Jan 31st of each year. All of all of the 1099's are available for review, just let me know if you'd like to see a copy.
- 2) The E-Board sent a written request to Chris Donovan at The Columbus Foundation asking for approval to grant \$10,000 to a not-for-profit, 501c3 entity for the purpose of promoting Irish culture and heritage and to offset some of the costs associated with running this years St. Patrick's Day parade.
- 3) As of January 30th, the current balance of the Club's HNB Checking account is \$17,025.56, the HNB Savings account balance is \$39,695.48, and the balance of restricted funds held by The Columbus Foundation is \$28,000.00 (after our \$10,000 grant request in #2 above was approved and funds transferred on 1/26/23).
- 4) The most current year-to-date financial statements have been prepared thru 11/30/2022 and they will be presented to the FOC for review at their next meeting before they are submitted to the E-Board for final approval.
- 5) Megan Dempsey collected all of the required information from the Federal government in regards to making electronic payments on our \$25,000 SBA Loan. The E-Board's plan is to pay off the entire balance of accrued interest before we begin making regularly monthly payments of \$125 until the balance of the debt is extinguished.
- 6) Discussions are still under way with HNB to convert most of our Savings account balance to a Money Market account. The only remaining issue is for the Club to deposit at least \$10,000 of new money into the Savings account before the bank will convert the funds to an interest- bearing MMA.

Once again, I'd like to thank everyone for their continued support and patience as we collectively move forward in all matters concerning accounting and financial reporting.

As always, please don't hesitate to contact me directly should you have any comments, questions or concerns.
